In the center of the emblematic riverside area, the historic Convent of "Madre Deus de Mochique" has given way to the NEYA Porto Hotel, the perfect simbiose between old and new, in a tribute to sustainability. Surrounded by the old charm of the Invicta city, its 80-metre facade facing the Douro allows guests to enjoy a unique and inspiring view. From the blend of historical heritage and the contemporary design of the project, a sustainable hotel was born, looking towards the future.
